P. O. Box 7, Pelham GA 31779 478-244-1025

I \_\_\_\_\_, the buyer(s) agree to purchase the German Shepherd Dog out of the litter sired by \_\_\_\_\_ AKC reg number \_\_\_\_\_ and the dam named \_\_\_\_\_ AKC reg number \_\_\_\_\_ for the purchase price of \$\_\_\_\_\_.

This price does not include shipping-related fees. A non-refundable deposit of \$\_\_\_\_\_ shall reserve this dog for purchase with the balance due when the puppy is 7 weeks of age. At that time said deposit will be credited towards the purchase price of the dog when this sale is completed.

All monies must be paid in full to the Seller before the release of the dog using cash, PayPal, money order or cashier's check (payable to Charles Miller). We do not accept personal checks. Buyer will be responsible for shipping, Veterinary, legal fees or other reasonable expenses incurred to complete this agreement. This agreement shall be considered as being entered into in the County of Grady, Georgia, USA.

This dog is in good health and is free of contagious disease to the best of the Seller's knowledge at the time of release. If this puppy will be shipped, its health will have been verified by a Veterinary Health Certificate required for travel by air. It is highly advised to visit a Veterinarian within 24 to 48 hours upon receiving this dog for a full check-up. A health/vaccine report will be given to the Buyer or sent attached to the shipping crate detailing the schedule of wormings, vaccines and microchipping information.

If this dog must be put to sleep or dies prior to twelve months of age due to a congenital or inherited problem, the Buyer shall provide the Seller a written statement from the attending Veterinarian. This statement shall list the dog's full name, sex, microchip or tattoo code, and the date and reason for the dog's death. The Seller will provide a replacement dog of similar age (at time of purchase) and quality free of charge to the Buyer within twelve months of the death of the aforementioned dog. The Buyer is to pay only shipping-related fees (if applicable) on the replacement dog. NO CASH REFUNDS will be given for any reason.

This dog is guaranteed against developing crippling hip dysplasia (moderate or severe) or elbow dysplasia (grade 2 or 3) until twelve months of age. Diet, proper exercise and environment have been proven to effect the expression and severity of dysplasia, therefore the Buyer agrees to follow the Proper Feeding and Care Guidelines included with this dog. Any attempt to dislocate the joint during palpation, or the use of the "PennHip" technique will void the hip guarantee. In the event crippling hip or elbow dysplasia is diagnosed in the period of guarantee, using only Orthopedic Foundation for Animals (OFA) accepted technique and correct positioning, the Buyer will immediately notify the Seller. The Buyer shall promptly provide the Seller with a copy of the radiograph used for diagnosis, and a

letter from the attending Veterinarian which will include the following information: 1) The full registered name of this dog. 2) The date of the radiograph (x-ray). 3) The name of the dog's owner. 4) The name of the Veterinarian and Clinic that took the radiograph. 5) The permanent ID code (tattoo or microchip) of the dog, and statement that the ID was checked at the time of the radiograph to verify identity of this dog.

The Seller and/or the Seller's Veterinarian will review the radiograph. In the event the Seller does not agree with the diagnosis of the Buyer's Veterinarian the Seller will submit the radiograph to the OFA at the Seller's expense. The opinion of the OFA shall prevail. If this dog has crippling (moderate to severe) dysplasia, and the claim is made as provided for in the terms of this agreement within the period of guarantee, the Seller shall provide a free replacement dog (Buyer to pay only shipping-related fees) within twelve months of the date of the claim. The Buyer of the original dog shall have it sexually sterilized and shall provide a statement that this dog has not been used for breeding before a replacement dog will be provided. Only one claim against the guarantee can be made. If a replacement or cash adjustment has been made for any cause on this agreement, no other guarantee will remain in effect. The buyer does NOT have to return the original dog to receive the replacement dog.

This dog is sold as a companion animal, and no guarantee is made as to its future performance or breeding ability. AKC Full Registration papers (if applicable) for this dog will be provided as soon as possible by the Seller to the Buyer.

The Buyer accepts full responsibility for this dog and its actions, whether sold as a trained or untrained animal, and fully indemnifies the Seller from any course or action related to this dog once it leaves the Seller's possession.

This represents the full agreement between the Buyer and the Seller. Buyer's signature below acknowledges they have read, understand and agree to the terms of this agreement.
